The National Mentoring Partnership (MENTOR) is the unifying champion for expanding quality youth mentoring relationships in the United States. For more than 25 years, MENTOR has served the mentoring field by providing a public voice; developing and delivering resources to mentoring programs nationwide; and promoting quality for mentoring through evidence-based standards, innovative research and essential tools. MENTOR has developed and supports a national network of Affiliates that provide regional, state and local leadership and infrastructure necessary to support the expansion of quality mentoring relationships. Together, we engage with the private, public and nonprofit sectors to ensure that all youth have the support they need through mentoring relationships to succeed at home, school, and ultimately, work. **To learn more about MENTOR, to volunteer and donate visit their website at www.mentoring.org**

LiveYourDream.org is an online volunteer and activist network offering flexible action opportunities to improve the lives of women and girls. We provide advocacy and action opportunities to spread awareness about causes such as access to education, empowering girls, and ending violence against women. Our collective mission is to improve the lives of women and girls through programs leading to social and economic empowerment.

We envision a world where women and girls have the resources and opportunities they need to reach their full potential and live their dreams. LiveYourDream.org inspires people from all walks of life to live their dreams, while helping less fortunate women and girls to live theirs. This is accomplished through hands-on opportunities, awareness and advocacy efforts, and financial support—or any combination of these actions.

Our goal is to connect, mobilize, and empower a passionate community of activists and volunteers to take action for women and girls.

You choose your cause and course of action based on how much time you have. We give you the tools to take action in your community; whether it's speaking up on social media, making a donation, signing petitions, printing and posting flyers, or working one-on-one with a woman in need—you choose how you'd like to make a difference on your own time. **To learn more and to get involved visit www.liveyourdream.org**
